In order to find the information on which CD/Vinyl you can locate any specific song appearing on this list, please refer to the main PDF of my research, entitled 'LIST OF SONGS 62-72'. The 150-page document contains tons of information on each song and is available for download on the SoulRebels.org website. Just click on the COMPLETE RESEARCH button and you will access the link for download.

NOTE: The book The Definitive Discography place the following tracks in different recording years:

WAILERS RECORDING: Funeral (1968), Hammer (1968), Pound Get A Blow (1968), Adam And Eve (1970), Wisdom (1970), This Train (1970), Thank You Lord (1970), Small Axe (1970), Mr Brown (1971), Dreamland (1971), Sun Is Shining (1971), Stay With Me (1971), Gonna Get You (1971), I'm Still Waiting (1971), Hammer (1971), Music Gonna Teach (1971).

PETER TOSH SOLO RECORDINGS: Selassie Serenade (1970), The Return Of Al Capone (1970), Sun Valley (1970), Romper Room (1970), Crimson Pirate (1970), Moon Dust (1970), Green Duck (1970), Little Green Apples (1970). The book doesn't mention: Ambitious Beggars and Pepper Seed.

NOTE: The book The Definitive Discography mention that How Many Times (1971) and It Hurts To Be Alone (1971) are different recordings, but according to my research, these songs are the same take as the 1968 recordings.

NOTE: A few songs have been released in REGULAR VERSIONS and LONG VERSIONS. Instead of repeating the song twice, I simply indicate with the symbol '+++' when a longer version is available. The little number at the end, represent the amount of seconds that can be found in extra in the longer version. I only indicate the song that had more than 5 seconds as a LONG VERSION, as several songs can be found with a few seconds extra, depending on the CD you purchase.

NOTE: In the third column, I write the format where the song can be found.

NOTE: In the fourth column, I attributed a number to each song. This numbering is used in the discography featured on www.soulrebels.org, in order to indicate the exact song appearing on each CD and vinyl.

At this point, you may also refer to the extended 120-page PDF document named LIST OF SONGS 1962-1972.
